Amendments to Abstract of the Disclosure

1 2 Please replace the previous Abstract Disclosure with the following amended Abstract:

3 4 A trimmer wheeled accessory for a gas or electric powered line trimmer used to
5 support the distal end of the trimmer pole during operation. The accessory includes an
6 extension arm that is longitudinally aligned with the trimmer's main pole and selectively
7 attached thereto via a first clamps. The distal end of the extension arm extends from the
8 trimmer head. Attached to the distal end of the extension arm is a wheel assembly that
9 ~~supports and allows the distal end of the extension arm to roll on the ground or grass the~~
10 ~~trimmer head at a constant elevation~~ when cutting grass or weeds. The extension arm is
11 sufficient in length so that the wheel accessory is located in front of the trimmer head. The
12 extension arm may be rotated around the ~~trimmer~~ trimmer's main pole so that the wheel
13 assembly may be used to support the trimmer head in both a horizontal or vertical
14 alignment.
